

SAFETY SERVICE (REAL ESTATE)

Karza Pty Ltd, an Australian owned consultancy, provides an extensive range of experienced safety resources to help Property Managers better manage their client's property.

Karza can assist residential and commercial Property Managers in developing, implementing and continually improving property safety management programmes.

Our Services include:

- Undertaking one-off Safety Assessments specific to the property;
- Delivering a comprehensive Safety Audit Programme for an individual property or a Property Manager's whole portfolio;
- Monitoring the delivery success of Safety Audit Outcome Action Plans;
- Establishing a Property Portfolio Risk Profile;
- Monitoring maintenance contractor conformance; and
- Reviewing the effectiveness of the Property Safety Management Programme.

Karza provides the real estate management team with a cost effective safety solution for both individual properties and whole property portfolios.
