

The logo for Karza Pty Ltd features the word "Karza" in a large, white, stylized font with a brushstroke effect. Below it, "pty ltd" is written in a smaller, white, sans-serif font. The entire logo is set against a dark blue rectangular background.

Karza pty ltd

Conservation Programme Support

Karza can provide organisations with support during the development and evolution of conservation programmes. The service can be accessed by UNEP, IUCN, Government (Federal, State or Local), community-based, NGO or private conservation groups.

Karza can help you better identify your conservation goals, establish a sustainable programme, develop stakeholder relationships and improve the management of your resources.
